Description of Change

3D Plus standardizes all industrial products marking.

Therefore all products ordered after the 1st of February 2012 will be delivered with stickers on the top side.

The use of these stickers doesn't change qualifications and tests passed by our products. Materials and compounds have been qualified accordingly.

This modification does not impact the overall thickness of concerned products.

This modification does not impact products' assembly recommendations (ref : 3300-2794-2).

Information stated on the sticker :

- Part number
- Date Code (yyww)
- Serial number (optional)

Reason for Change

3D Plus has changed the products' marking type for the following reasons :

- Improve the marking readability
- Improve the marking quality over time
- Improve manufacturing cost and lead-time
