Description of Change

3D PLUS will mark the serial number not only on S(space) quality grade, but also on N(commercial) quality grade and B(Industrial) quality grade Hi-Rel products. Meanwhile, the product traceability is unchanged and maintained at the same level.

This marking changes will apply to the Hi-Rel modules manufactured after 1st May, 2017 with the date code later than 1717.

Reason for Change

- The serial number will be marked on all quality grades modules N, B and S grades.
- No action required at user side to adapt to this marking change.
- There is no quality impact on 3D PLUS modules from this marking change.

Please contact 3D PLUS For more detailed information.
